

Floyd Automatic Tooling Ltd accepts secure card payments issued by most banks and card companies through **Sage Pay**.

Sage Pay uses a payment gateway on the internet which we use to take payment by card without the need for Floyd Automatic Tooling Ltd to hold card information. The card information is held by SagePay and is [PCI DSS compliant](#) for your security.

All **CREDIT** and **BUSINESS/COMPANY DEBIT** cards are subject to a card fee of 2.35%. Personal Debit cards are not charged.

[Read more about card fees.....](#)

If you have a **CASH** account with Floyd Automatic Tooling Ltd, you can safely log your card details with us to make payment easier, and allow for your orders to be shipped without delay. If a card fee is applicable, it will show on the invoice.

If you wish to avoid this fee, you can choose to pay by BACS/CHAPS or cheque. You can request our bank details by emailing our accounts department. accounts@floydautomatic.co.uk

Please note that the funds must clear prior to the despatch of goods.

If you have a **CREDIT** account with Floyd Automatic Tooling Ltd, you can also choose to pay the amounts due by card. Any card fees will be invoiced and collected at the time of payment.
