

FLOYD

THE TOOLING SPECIALISTS FOR PRECISION COMPONENT MACHINING

Carriage Charges:

- All export shipments are charged to the clients preferred carrier account when available. If no client account is available, then our carrier, **UPS**, will ship the goods. The charge will be added to the invoice, and payment will be made in advance.
- Carriage is charged per shipment.

Terms & Conditions of Export:

- Errors & Omissions Excluded.
- **"SPECIAL"** denotes a made to order item and is NON-RETURNABLE and NON-REFUNDABLE. Please ensure that the details are correct prior to placing your order.
- A re-stocking and handling charge of 20% is applicable on stock returns (please note all prices exclude VAT and carriage charges where appropriate).
- All deliveries from stock are subject to prior sale. Please order promptly to avoid disappointment.
- Delivery times are quoted in working days/weeks, and exclude UK & European public holidays, and supplier's seasonal holidays when they occur.
- They are given in good faith, but we cannot be responsible for late deliveries caused by circumstances outside our control.
- This quotation is valid for 90 days.

Payment Terms:

- All exported goods require payment with order.
- We accept payment by Money Transfer to our bank*
- Payment is accepted by Visa, MasterCard and American Express**

*Please note that International payments can take time to reach our Bank account (a charge for collecting these payments may be applied)

**Visa/MasterCard/Amex payments are subject to a 2.35% Bank Charge.
